Information Picket : ALUMNI THEATRE 7:00pm

Movie Showing: "The Power of Nightmares" 10pm

**NOTE:** The GADWTSATTS parody/spoof is organized by the Student Coalition Against War (SCAW) to ridicule Gen. Hillier's advocacy of Canadian militarism. Don't let Carleton be a platform for warmongers! Come for the parody/info picket at 7 p.m. at Alumni Hall followed by the critically-acclaimed documentary "The Power of Nightmares" at 10pm & free coffee/snacks in room 416 Southam Hall. Before the documentary, Steven Staples, Director of Security Programs at the Polaris Institute, will give a brief speech about the alarming direction of the Canadian Forces -- from UN peacekeeper to U.S.-led warfighter. The Polaris Institute played a pivotal role in keeping Canada out of the dangerous, ineffective and expensive U.S. Missile Defence system.
